### **COMMUNITY PARTNERSHIPS/RESOURCES**

The school board recognizes the importance of having a strong partnership with the community and encourages the use of community resources to assist in furthering the educational program. Partnerships may be developed with local organizations, businesses, city and county governments and talented individuals to strengthen school programs and student learning. Opportunities may include school-to-work programs, community service projects, school-based partnerships, artists and writers in residence, etc. Student participation in community service is encouraged.

Use of community partnerships will conform to the policies of the board as implemented by the superintendent and his/her staff.
